PROJECTS 1)

Binotech Solutions

ExpTrack (Expense Tracker)

This is an android app which I have Designed & developed in android Java
The Main challenge is I have to make this Application totally secure & Safe
so I have made logic which this app save all data in Local DB so.
Its risk free app which will never share its data with any one.

PROJECTS 2)

Binotech Solutions

1) <https://binatechs.com/> 2) <https://binatechs.com/404/404.html>

In this Project the main challenge is Create Responsive & Creative
Comming soon page & Error page just to push my creativity & skills
